

# INSIGHTS 2019

## SPORTS ROUNDUP

### SGHS Cricket

SGHS has entered both a Year 7 and 8 team and a Year 9—13 team into two knockout competitions in Term one, 2020.

These teams will compete against Otago and Southland schools girls' teams, with the winners going to the NZ finals.

Over twenty Year 7 and 8 girls have been learning cricket skills at Wednesday lunch times.

SGHS is grateful to the Queen Street Cricket Club who donated the school \$1000 to purchase gear to get cricket going. As part of the grant the school has purchased a bowling machine to help the girls work on their striking technique.

*Girls loading the cricket balls into the Bowling Machine*

*Getting ready to hit a ball that the machine has fired out*

*Girls practising their bowling techniques*
